- **Basic Business License Application**  
To make sure you get your BBL as quickly as possible, you must submit a properly completed Basic Business License Application package. All of your responses should be printed clearly in English.
- **Certificate of Occupancy / Compliance for Zoning Regulations**  
Before applying for your BBL, you'll need a Certificate of Occupancy (C of O) for the location where your business is conducted to demonstrate that your business does not conflict with building and zoning codes. (If your business is located in an office building, you may operate under the umbrella of the C of O issued to the owner of the building, as long as the C of O was issued for the entire building; check with your building owner or management company for the C of O holder name, number, and issue date.) If you have any questions about Certificates of Occupancy, please call the Building & Land Regulation Administration at (202) 442-9475.
- **Clean Hands Certification**  
You'll also need to certify that you don't owe more than \$100 to the District of Columbia government as a result of fees, penalties, interest, or taxes through completion of a Clean Hands form provided in your BBL application package.
- **Office of Tax & Revenue (OTR) Registration**  
Before applying for your BBL, you'll also need to register your business with OTR and submit a copy of your tax registration certificate with your application. If you're not already registered, simply complete and file a Combined Business Tax Registration Application (Form FR500); this can also be done online. For more information, please call the Tax Customer Center at (202) 727-4829.
- **Department of Health Inspection/Approval**  
Your business activity must be inspected and/or receive approval to operate by the Department of Health (DOH) Environmental Health Administration; Bureau of Food, Drug, and Radiation Protection (Food Protection Division), located at 51 N Street, NE, Washington, DC, or call the Food Protection Division at (202) 535-2180 for DOH approval procedures.

**Special Instructions:** If your business falls into one of the following categories, there are additional requirements for your BBL application, as described below.

- **Corporation Division Requirements**  
If you are a corporation, partnership or limited liability company you must be registered in the District and in good standing. For instructions on how to register, please go to [www.dkra.dc.gov](http://www.dkra.dc.gov) and click on “Corporate Registration.” For more information, please call the Corporation Division at (202) 442-4432.
